

An Introduction to Macromedia® Breeze™ Presenter

Getting and installing the plug-in

The most up-to-date plug-in can be downloaded from your Breeze server. You will need to install this before you can undertake this course.

To download the plug-in, login to your Breeze server with the login and password details provided to you by the Breeze administrator.

Once you have logged in, click on the 'Getting Started' link on the left of the screen.

An Introduction to Macromedia® Breeze™ Presenter

Click on the 'Install Macromedia Breeze Presenter' link.

A file will be downloaded to your computer.

Follow the on-screen instructions to install the plug-in.

NOTE: *Make sure PowerPoint is not open when you install the plug-in*

An Introduction to Macromedia® Breeze™ Presenter

With the plug-in installed on your machine, you will notice there is a new menu in the menu bar within PowerPoint.

Take a few moments to familiarise yourself with this menu.
